- ✪ Air Intake & Induction
- ✪ Exhaust Systems
- ✪ Cooling Systems
- ✪ Fuel & Oil Systems
- ✪ Turbocharger Installations
- ✪ Fixing & Retaining

HOSE CLAMPS

ABA Mini / ABA Nova

Applications

ABA Mini is particularly suitable for use on small, thin-walled hoses. This little clamp provides an excellent clamping force well over screwless clamps.

ABA Nova clamps incorporate a newly designed housing positioned to more evenly distribute a high clamping force and give safer guidance of the emerging band. The short housing saddle also provides optimal contact pressure on the hose.

Material

ABA Mini	S10
ABA Nova	S20

Part number	Description	Clamping range $\varnothing DN$ (mm)	Bandwidth (mm)	Packaging quantity (pcs)
