

# NORMAFLEX® Fluid Lines

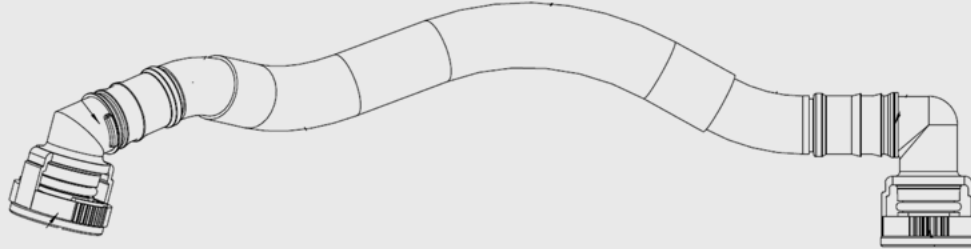

## Fluid Systems for transporting or ventilation of different media

- ✓ Ready-to-use high quality products as per OE requirements
- ✓ Easy and quick assembly and disassembly without tools and devices
- ✓ Resistant and leak-proof

-  Air Intake & Induction
-  Exhaust Systems
-  Cooling Systems
-  Fuel & Oil Systems
-  Turbocharger Installations
-  Fixing & Retaining

**NORMAFLEX® Fluid Lines**

**Applications**

Fluid Systems for transporting or ventilation of different media such as Crankcase ventilation system, Cooling water system, Air flow system, Oil transport system.

**Material**

PA6, PA12, PA612, PPA-I

| Description        | Nominal diameter (mm) | Length (mm) Main tube | Application  | Part number   | Packaging quantity (pcs) |
|--------------------|-----------------------|-----------------------|--|---------------|--------------------------|
| Fluid Line CWS 015 | 15                    | 339                   | Mercedes A-class / B-class   | 0734 8267 015 | 75                       |
| Fluid Line CWV 006 | 6                     | 431 / 613             | Mercedes A-class / B-class   | 0727 8324 006 | 60                       |
| Fluid Line CVS 027 | 27                    | 828                   | DAF MX Euro 6 engine   | 0726 8193 027 | 50                       |
| Fluid Line CVS 015 | 15                    | 408 / 109 / 82        | BMW 7 Series (F01, F02, F03, F04), 5 Series (F10, F11), X series (F25) | 0726 8267 015 | 15                       |
| Fluid Line CVS 019 | 19                    | 272                   | BMW M54, 6-cylinder engine   | 0726 8278 019 | 100                      |
| Fluid Line CVS 015 | 15                    | 174                   | BMW M52, 6-cylinder engine   | 0726 8213 015 | 100                      |
| Fluid Line AFS 027 | 27                    | 1550.5                | Daimler Truck Axor   | 0724 8558 027 | 100                      |

CWS – Coolant water system; CWV – Cooling water vent system; CVS – Crankcase ventilation system; AFS – Air flow system

**NORMAFLEX® Fluid Lines is part of a broad portfolio. Discover more!**

**Technical Benefits**

- ✓ Chemical resistance to aggressive media (oil, fuel, water...)
- ✓ Easy replacement of OE parts
- ✓ Low weight
